

Are You Ready For The Unit 3 Test?

Have you...

1. Completed assignments 3.2, 3.3, and 3.5 and understand these assignments?
2. Completed the Group Assignment 3.1 and fully understand it?
3. Completed ALL the Journal Questions and are able to explain each and every one of them?
4. Memorized all the "facts" regarding Linear Motion II?
5. Completed the Free Response Review and were able to understand the solutions?
6. Completed at least 50% of the MC Review and are able to understand the solutions?
7. Understood how to create a sign chart (including intervals and ++ and --) using algebra only AND using a GC only?

If you answered YES to each of the above questions, then you are ready for the Unit 3 Test.....guaranteed !!!!.... 

So....stop.... 

...and... 

...and start...
