

# Mr. Singh's Math 9 Class

***Math 9 is a challenging but fun course that requires a consistent and conscientious effort, both in class and at home!!***

## Expectations

The 3 Keys to Success:      **ATTENDANCE**      **GREAT WORK ETHIC**      **PERSEVERANCE**

I agree to each of the following:

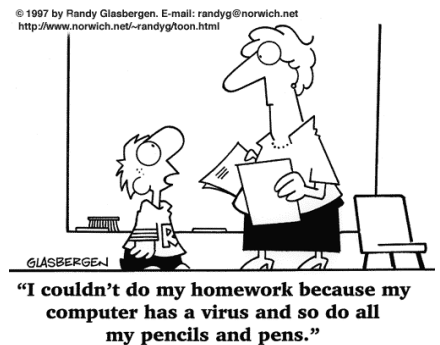

- I will bring my binder, paper, pencil, calculator and ruler to all classes.
- I will complete the practice assignments every day.
- I will respect myself, my class mates and Mr. Singh.
- I will arrive to class on time because being late is disrespectful to the class and to the teacher.
- I will be courteous at all times.
- I will participate in discussions and learn Math by **doing** and not by just **watching**.
- I believe that everyone in this class has the right to learn without being judged, harassed or distracted.
- I will work hard and try my best...every class!!**

## Supplies

- Binder with 5 dividers (notes, homework, quizzes, tests, other stuff).
- Pencils, eraser, ruler, and graph paper.
- Scientific Calculator that has *sin*, *cos*, *tan* functions.

## Grading

Assignments/Projects	20%		
Quizzes	20%		
Tests	40%	<b>Final Exam</b>	<b>20% (?)</b>

## Website

- The course website is located at: **www.tamathawis.weebly.com**.
- It is your responsibility to download and print out all required materials for the next class.
- You will also find my contact email on the website.
- If you are absent for a valid reason, you may request me to post the notes and the assignment for the missed class on the website. This request should be made by email.
- You should try to stay caught up so that you're as ready as can be by the start of the next class, just in case there is a quiz.

## Practice Assignments

- Daily assignments will be given and you are expected to complete them to the best of your ability before the next class. **Daily practice is very important for success in math!**
- If you do not complete a practice assignment, you will be required to complete it during a lunchtime session.
- If you copy an assignment, you will receive an Incomplete for that assignment and will have to do an alternate assignment in my presence.

## Test Rewrites

- Test Rewrites will only be offered to students that have completed all practice assignments for the particular unit and have attended class regularly.
- You will also be required to complete an extra practice assignment before the Test Rewrite.

**Work Hard & Have Fun!!**

*I agree with and fully understand Mr. Singh's expectations of me.*
